

Hello Friends,

2009

Three Angels Broadcasting Network is searching for musically talented children for its Kid's Time Praise program and I could really use your help! I would like to share with you some information that may be helpful in your search.

Kids should be 14 years old or younger, and music can be vocal or instrumental. Groups are accepted provided that at least one member of the family/group is 14 or younger. "Christian Praise", hymns, or happy uplifting songs that kids like to sing in church, are desired. Classical music, secular music or songs with a heavy beat, will not be accepted. Please send demo tapes in full-sized cartridge VHS, DVD format, video clip or via a link to a website upload. The 3ABN music committee will evaluate all demo tapes and the producer, Brenda Walsh, will contact applicants that are selected.

Please mail demo tapes to:

Sonia Gott
2911 Sevierville Rd.
Maryville, TN 37804

*Be sure and include your address, e-mail address and phone number with your demo tape so that we can contact you!

Taping will be done on location at the 3ABN production studios in West Frankfort, Illinois. Lodging at the time of taping is provided by 3ABN for the night prior to taping and the night of taping. On rare occasions this may not be possible due to lack of space, at which time you would be notified prior to your taping date. Applicants are responsible for all transportation, food and any other expenses.

Three Angels Broadcasting Network is the second largest religious network in the world and is available on every continent. You can watch Kid's Time Praise Live via the Internet, 5:00 PM (CST) on Tuesdays, Thursdays and Saturdays and 7:30 AM (CST) on Sundays at www.3abn.org. 3ABN is also available via satellite and cable.

If you know of musicians, music teachers, recording artists, or any others that have contact with musical talent, please share my name and contact information. I look forward to hearing from you soon and please keep 3ABN in your prayers as we work to spread the Three Angels' Messages to the world!

May God bless you,

Sonia Gott
